Did Your Child Have Worms?

Thousands of children have worms that sap their vitality and make them listless and irritable. Kickapoo worm killer kills and removes the worms and has a tonic effect on the system. Does your child eat spasmodically? Cry out in sleep or grind its teeth? These are symptoms of worms and you should find relief for them at once. Kickapoo Worm Killer is a pleasant remedy. MANY W. C. T. U. DELEGATES ARRIVE

(Continued from Page 1.)

Old man booze, you're sure to lose. November seventh will tell the news. The Jefferson county delegation was right on deck with a cry all its own.

We grow the wheat, we grow the rye, Jefferson is high, Jefferson is dry. We work with might in the temperance fight.

Jefferson delivers the goods, alright. The Yamhill county delegates were not above putting in a boost for their section. They cried something like this:

Yamhill prunes, walnuts and loganberries. The country that does things when it really turns loose, Yamhill.

It was an enthusiastic gathering all the way up and many people from the other cars went in to absorb some of the enthusiasm. The railroad officials were very courteous and the ladies enjoyed their trip thoroughly despite the dust storm that greeted their arrival here.

At the depot they were met by about 100 Pendletonians with autos and they were taken to the various homes and hotels assigned to them.

Many on Train.

There were sixty-one officials and delegates on the train arriving last evening besides many members of the organization not bearing credentials as delegates. The following is a list of the officers and delegates arriving last evening:

London where horseflesh was sold for human consumption. A horse butcher who started business in 1860, the center of the Franco-Italian colonies, six years ago, failed to obtain customers.

Today, owing to the great influx of Belgian refugees, there are more than twenty horse butchers, all doing a thriving trade, including five who are located in the southwest district of London, which abuts on aristocratic Kensington.

One of the probable effects of the war and the high price of beef and mutton will be that the London poor will acquire a taste for prime cuts of horseflesh at 14 cents a pound against beef and mutton at 27 cents a pound.

Labor leaders and social reformers view this tendency with growing alarm. They fear it will lower the standard of living and, incidentally, spread numerous diseases among the consumers, as they declare that old and diseased horses have been slaughtered for human food.

OLD WOODEN BATTLESHIP BURNED FOR HER COPPER

U.S. FRIGATE FRANKLIN

CINE-FILM SERVICE

The old United States frigate Franklin was burned on October 2, at Eastport, Me., by a salvage company to recover the copper in her rivets and also about \$4000 worth of gold which is said to be mixed with the copper. The Franklin was sold by the government to the salvage company for \$16,768.

The old frigate was built at Philadelphia in 1815 and was 188 feet long with a 50 foot beam. In 1863 she was rebuilt and had an engine and screws installed. Her hull was also made over and enlarged to 265 feet in length with a 53 foot, eight inch beam.

The Franklin was of 1170 tons displacement and cost \$1,331,000. As flag ship of the European squadron she sailed from New York June 17th, 1867, with Admiral Farragut on board, for a cruise to European waters lasting about seventeen months, and during the time visited nearly every large seaport there and also visited several ports in Asia and Africa.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lary feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "foggy" and "heavy." Note how they "clear" the brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.
